ONYXON PROJECT SOLUTIONS PVT. LTD.

INTRODUCTION

Onyxon Project Solutions Pvt. Ltd. is one of the India's most developing companies in Tamil Nadu. Onyxon Project Solutions Pvt. Ltd. was formerly known as "Onyxon" and founded in the year 2007. As years pass, we will develop our business and obtain a unique position in our global market.

ONYXON'S MARCH TOWARDS PROGRESS

We started our business with web designing, as years go we have developed by entering into new streams like Web hosting; Web designing, Company projects, College projects, Designing works, 3D Visualization, Consultancy Services, Data entry works, Hardware support and Networking.

Onyxon, a leading provider of it services, delivers superior returns to clients through its cost-effective, high-value service model. Our core portfolio comprises deliver of IT services both innovative service and training. Our products are known to be user-friendly, flexible and excellent in their respective areas.

VALUES AND OBJECTIVES

Onyxon believes that any business demeanor can be ethical only when it rests on the nine core values of Honesty, Integrity, Fairness, Respect, Trust, Consideration, Accountability, Citizenship and Caring.

The essence of these commitments is that each employee conducts the Company's business with integrity, in obedience with pertinent laws and in a manner that excludes considerations of personal advantage.

We do not lose sight of these values under any circumstances, regardless of the goals we have to achieve. To us, the means are as imperative as the ends.

ONYXON VISION

We sturdily believe on 4 D's and working according to it.

-  Determination
-  Dedication
-  Destination
-  Discipline

ONYXON PROJECT SOLUTIONS PVT. LTD.

ONYXON MISSION

- * We like to prove ourselves as inquisitive, innovative and intelligent in the global market.
- * Our goal is to encourage smart and steady person who can work for the success.
- * We crave to be a leader in IT and have to get the name in History of Indian Economical development.

TEAM APPROACH

Another key element of Onyxon is the effectiveness team emphasis. From the Leadership Team, which is responsible for strategic direction and day-to-day leadership of the business, we believe a team approach is the best way to achieve factual organizational excellence. Hard work, Team work, Cost effective, Timely completion are the highlights differentiating us from our competitors and moving us towards perfection. We can serve to our customers with full efforts on their requirements and needs.

CUSTOMER SATISFACTION

We have a well qualified and well talented people who are specialized in their area. We always make our clients satisfied with our work depending on their requirements and needs. It's like a colorful rainbow which will altogether brings a wonderful feel. We provide 98% service to our clients and in future we work for 99% fulfillment to our valuable clients.

OUR STRENGTHS

We have a thorough understanding of the trade, retail and distribution, pharmaceuticals, textiles, through hands-on experience, Onyxon Project Solutions Pvt. Ltd. has a very strong foothold in the Web designing and retail outlets software's.

On the technical side, as we started early, we give enough value to processing time and hard disk space utilization and memory management, in short, for database design. All our products are built tough to avoid support issues later. We have eliminated the customer's dependence on us. All our customers speak well about our products and our services, as we just do not sell software, we give business solutions on how to do better business based on our vast experience. We provide excellent support through our support through our support team at office.
